1. Director of Training Room 1026, C o C Bldg			Rod:  Let us plan to go ahead with your resubmitted proposal to send the students of AMP IV to Greensboro. However:  a. The appropriate Deputies sponsoring the student should be made aware of this change soonest and concur in their careerists attending.  b. You had best make the Deputies aware of the security clearance status of those at the Center in Greensboro.  c. It would be worthwhile telling the Deputies that we are doing this on a pilot-plan basis and will expect feedback from the student attendees.  I assume you have the necessary financing to carry out the program, to include all expenses, including travel of the students.
